At 10:45 AM, 6/29/64, Captain FRITZ, Dallas PD, telephonically advised MARINA OSWALD's attorney had been in touch with him, had advised of having called the Commission relative to the material published in Dallas News over the weekend, and that the Commission had inferred or said the lead could have been only from Dallas PD.

FRITZ said he has information that someone from another agency was in the FBI Office a week or so ago seeking photographs of the OSWALD material and desired to know whether such was the case; if so, who, and if the material was furnished to the unnamed person.

Office seeking a set of photographs of the items obtained by the Dallas PD and subsequently turned over to the FBI. On this occasion, SAC SHANKLIN advised Mr. ALEXANDER that the Dallas PD had been furnished a set of these photographs and he might desire to make inquiry there in connection with his desire to obtain a copy of same.

At 11:33 AM, 6/29/64, Captain WILL FRITZ, of the Dallas PD, was telephonically advised by SA ROBERT P. GEMBERLING of the visit by Mr. ALEXANDER and of his referral to the Dallas PD. Captain FRITZ was further advised that this office did not know if Mr. ALEXANDER had made contact with the Dallas PD thereafter, at which time Captain FRITZ stated that Mr. ALEXANDER had made contact but that no set of such photographs was furnished to him.

Captain FRITZ stated that, inasmuch as the Dallas PD did not make same available to anyone, it was obvious that such photographs could have been made available by several other sources and then specifically inquired, "Did your office give them to anyone?"

Captain FRITZ was advised that under no circumstances had this office furnished a set of photographs to Mr. ALEXANDER or anyone else not authorized to receive same.
